About the company

Swinton Estate in the Yorkshire Dales is one of the largest privately owned estates in England. At its hub, Swinton Park is a luxury castle hotel with fine dining, cookery school, country club and spa and extensive grounds. The estate has been owned by the Cunliffe-Lister family since the 1880s and is the ancestral seat of the Earl of Swinton. Rooms are furnished with antiques and family portraits so

guests enjoy an authentic stately home experience with the warmth and grandeur of a traditional English house. Needless to say, the standards of service are excellent – discreet but far from stuffy, and the hotel has enjoyed wide acclaim and many awards in recognition of this.
