

Kitchen Porter

With our lovely new Country Club and Spa now open, there has never been a more exciting time to join Swinton Park.

Job description

We are looking for a kitchen porter for our busy kitchens here at Swinton Park Hotel. The job involves supporting the kitchen team and ensuring that all used cutlery and crockery is cleaned ready for use. Other duties include some food preparation, cleaning and maintaining the kitchen equipment.

The role involves working on a shift basis working 5 days over 7 and includes evenings and weekends.

This is an opportunity to be part of our great company. If you feel you have the necessary skills, and the desire to succeed within our kitchen operation then please apply.

The minimum requirements for this role include:

- Flexibility to work on a rota system
- Positive attitude
- Ability to work under pressure
- A genuine personality with enthusiasm and ambition

We are looking for:

- A passion for excellent customer service and an eye for detail
- An ability to work well under pressure
- Great personal presentation and pride in your appearance
- Excellent spoken English
- The enthusiasm to learn and grow within our company
- Previous experience in a similar operation is preferable but not essential
- Good attention to detail

About the company

Swinton Estate in the Yorkshire Dales is one of the largest privately owned estates in England. At its hub, Swinton Park is a luxury castle hotel with fine dining, cookery school, country club and spa and extensive grounds. The estate has been owned by the Cunliffe-Lister family since the 1880s and is the ancestral seat of the Earl of Swinton. Rooms are furnished with antiques and family portraits so guests enjoy an authentic stately home experience with the warmth and grandeur of a traditional English house. Needless to say, the standards of service are excellent – discreet but far from stuffy, and the hotel has enjoyed wide acclaim and many awards in recognition of this.

Salary £ competitive
